Learning Magazine Recognizes Rainbow Publishers with Teachers' Choice Award

San Diego CA (February 9, 2011) Learning Magazine (www.learningmagazine.com) has awarded Rainbow Publishers a Teachers' Choice Award for its book, *Bible Puzzles: Bible Trivia and Truths*. The award is reserved especially for products that can be used by families and are recommended by teachers. [Teachers' Choice for the Family](#) is the only awards program that requires evaluators to be both teachers *and* parents.

"Teachers from across the United States judged the entries and enjoyed evaluating this exceptional product. Rainbow Publishers' book received excellent reviews from our panel of teachers," said Heather Crews of Learning Magazine.

Products are evaluated by teachers for educational value, originality and creativity, ease of use, safety and durability, and high-interest level and motivation for children. Winners are selected from the top 20% of all entries received. Only those products that meet the teachers' stringent standards are chosen.

The [Bible Puzzles: Bible Trivia and Truths](#) title selected for the award in 2011 is one of a large selection of puzzles, crafts, games and reproducible lessons offered by Rainbow Publishers with a similar style and format.

About Teacher's Choice Awards

In 1994, **Learning** magazine introduced the first Teachers' Choice Awards program. Over the years, the program has grown to become one of the most recognized and prestigious awards in the educational market. **Learning** magazine launched the Family program to meet the needs of companies whose educational products work in the home environment.
